Are you looking to live in a quiet neighbourhood with easy access to the Bow Valley? How about an Aspen Hills townhome that is a backing onto a rich bluff of trees? This 2 bed/2.5 bathroom home is set along a tiered courtyard and mature landscaping. The kitchen features an oversized quartz island, gas range, stainless steel appliances, pantry, large windows, balcony, natural light and breakfast nook/den. Finishing off this level is the living room, dining area, powder room and hardwood floors. There are built in speakers in the home and the sale comes with a Sony audio receiver. Upstairs you'll find the spacious dual primary bedroom layout perfect for a young professional or couple, both with grand windows and your choice of view, plus ensuites with quartz counters. Conveniently, note the laundry room with storage is also on the upper level – an upgrade that is sure to impress. The partly finished lower level offers additional storage, room for all your shoes, wine and access into the double attached garage (with newer garage door) – this can also be a convenient home gym. The furnace was replaced in 2022 and much of the home has been newly painted. Live surrounded by walking trails, nature reserves and parks. Close to transit, shopping and easy access to the mountains, this is the perfect new home for you. Walk to Ladybug Cafe, Aspen Landing or just a quick commute into DT.
